

This little turkey can be used for so many things! Maybe you can dress him up to hide him from the farmer like in the book *Turkey Trouble* by Wendt Silyano.

Perhaps you can write all the things you are thankful for on his tail feathers.

*Either way, color him and his feathers, cut them out and paste them on a LARGE sheet of construction paper.*

print this page 2-3 times  
depending on how many  
feathers you want your  
turkey to have
